

## PROJECT MANAGER-HEAVY CIVIL

### **About Brayman Construction:**

Brayman Construction Corporation is a leading heavy civil and geotechnical contractor with office headquarters in suburban Pittsburgh. Incorporated in 1947, Brayman has grown, diversified and evolved its construction services from a small bridge and concrete company to a large, nationally recognized provider of complex, heavy civil construction projects servicing both public and private sector clients throughout the Midwest and along the entire east coast. The Company has expertise in a wide variety of projects including large scale complex bridges, deep foundation, marine and dam construction and rehabilitation, complex and heavy steel erection and rehabilitation and demolition services.

### **The Associated General Contractors of America (AGC) has awarded the 2018 Innovation Award to Brayman Construction Corporation / Advanced Construction Robotics**
